

Accepting For Filing Proposed Market-Based Rates (Order), in the above-docketed proceeding.

The Commission's January 29, 1998 Order granted the request for blanket approval under Part 34, subject to the conditions found in Ordering Paragraphs (C), (D), and (F):

(C) Within 30 days after the date of issuance of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Enserch should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(D) Absent a request to be heard within the period set forth in Ordering Paragraph (C) above, Enserch is hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Enserch, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(F) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Enserch's issuances of securities or assumptions of liabilities. \* \* \*

#### Florida Gas Transmission Company; Notice of Intent To Make Supplemental Refunds

January 30, 1998.

Take notice that on January 27, 1998, Florida Gas Transmission Company (FGT) tendered for filing a letter stating

that FGT will make additional refunds, inclusive of interest, to FGT's transportation customers on or before February 15, 1998.

FGT states that on January 14, 1998, it submitted a refund report reflecting amounts refunded to its transportation customers on December 15, 1997 in compliance with the Commission Order dated September 24, 1997 in the referenced docket. Subsequent to filing the refund report, it has come to FGT's attention it inadvertently failed to calculate refunds related to: (1) the transportation component of the cash-out price applicable to net delivery point coverage imbalances pursuant to the cash-out mechanism of Section 14 of the General Terms and Conditions (GTC) of FGT's Tariff, and (2) reservation charge credits resulting from a one-time shortening of the gas day of April 6, 1997 due to FGT's implementation of Gas Industry Standards Board (GISB) Standard 1.3.1.

FGT states that because the data necessary to calculate the refunds attributable to cash-out pricing are contained in different files than the transportation invoice data (applied to scheduled volumes), the calculation of these amounts, while small, is more complex and will require some additional programming. FGT states that it has begun this process and believes that it can make refunds to Delivery Point Operators (for cash-out imbalances) and to transportation customers (for the reservation charge credit related to the shortened gas day) on or before February 15, 1998. FGT will calculate interest on these additional amounts through the date the checks are mailed and will file a supplemental refund report within 30 days of the date the additional refunds are made.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before February 6, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
